

Visualizing and Predicting Heart Diseases with an Interactive Dash Board

Sprint 2 - Dashboard

step 1

The screenshot displays the Jira Software web interface. The browser's address bar shows the URL: `aec5104.atlassian.net/jira/software/projects/PREDICTION/boards/1/backlog?issueParent=10088`. The Jira header includes the 'Jira Software' logo, navigation links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', and a 'Create' button. A search bar is located on the right side of the header.

The left sidebar contains a navigation menu with sections for 'PLANNING' (Roadmap, Backlog, Board) and 'DEVELOPMENT' (Code, Project pages, Add shortcut, Project settings). Below the menu, it states 'You're in a team-managed project' with a 'Learn more' link.

The main content area is titled 'Visualizing and Predicting Heart Diseases with an Interactive Dash Board' and 'Backlog'. It features a search bar, filter buttons (DV, SD, AB, RR), and a dropdown for 'Epic' (showing 1 item). A 'Clear filters' button is also present. An 'Insights' button is located on the right.

The 'Epic' sidebar on the left lists 'Issues without epic' and includes a list of issues: 'Registration', 'login', 'Dashboard' (highlighted), 'Guidelines', and 'User Profile'. A '+ Create Epic' button is at the bottom of this list.

The main backlog area contains a large card with the text 'Plan your sprint' and 'Drag issues from the Backlog section, or create new issues, to plan the work for this sprint. Select Start sprint when you're ready.' Below this card is a '+ Create issue' button.

Below the sprint planning card, there is a section for 'Backlog (2 issues)' with a 'Create sprint' button. It lists two issues: 'PREDICTION-90 As a user, I can update my profile and medical records for analysis' and 'PREDICTION-91 As a user, I can view the accuracy of occurrence of heart disease through the r...'. Both issues are labeled 'DASHBOARD' and have a 'TO DO' status. A '+ Create issue' button is at the bottom of this section.

A 'Quickstart' button is visible in the bottom right corner of the interface.

The Windows taskbar at the bottom shows various application icons, including the Start menu, Edge browser, File Explorer, and several other apps. The system tray on the right indicates the language is 'ENG UKX' and the date is '11/9/2022'.

step 2

The screenshot displays the Jira Software web interface. At the top, the browser address bar shows the URL: `aec5104.atlassian.net/jira/software/projects/PREDICTION/boards/1/backlog?issueParent=10080`. The Jira header includes navigation tabs like 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar.

The left sidebar contains a navigation menu with sections for 'PLANNING' (Roadmap, Backlog, Board) and 'DEVELOPMENT' (Code, Project pages, Add shortcut, Project settings). The 'Backlog' item is currently selected.

The main content area is titled 'Backlog' and shows the project 'Visualizing and Predicting Heart Diseases with an Interactive Dash Board'. It includes a search bar, filter buttons (DV, SD, AB, RR), and a dropdown for 'Epic 1'. Below this, there are two main sections:

- Sprint 2** (9 Nov – 10 Nov, 2 of 3 issues visible): This section contains two issues:
 - PREDICTION-82**: As a user, I can update my profile and medical records for analysis. Status: DASHBOARD, TO DO.
 - PREDICTION-83**: As a user, I can view the accuracy of occurrence of heart disease through the r... Status: DASHBOARD, TO DO.
- Backlog** (0 issues): This section is currently empty, with a message 'Your backlog is empty.' and a '+ Create issue' button.

At the bottom of the interface, there is a taskbar with various application icons and a system tray showing the date and time as 9:14 PM on 11/9/2022.

step 3

The screenshot shows a Jira Software interface for a project named 'Visualizing and Predicting Heart Diseases with an Interactive Dash Board'. The current view is 'Sprint 2', which is 0 days remaining. The board is organized into columns: 'TO DO 2 ISSUES', 'IN PROGRESS', 'DONE', 'DEPLOYED', and 'DEPLOY'. Two issues are currently in the 'TO DO' column:

- Issue 1:** 'As a user, I can update my profile and medical records for analysis'. It is labeled 'DASHBOARD' and 'PREDICTION-90'.
- Issue 2:** 'As a user, I can view the accuracy of occurrence of heart disease through the report generation'. It is labeled 'DASHBOARD' and 'PREDICTION-91'.

The left sidebar shows the project navigation menu with sections for 'PLANNING' (Roadmap, Backlog, Board), 'DEVELOPMENT' (Code), and 'Project pages' (Project pages, Add shortcut, Project settings). The bottom of the screen shows a Windows taskbar with various application icons and a system tray indicating the time is 9:29 PM on 11/9/2022.

step 4

The screenshot shows a Jira Software interface for a project named "Visualizing and Predicting Heart Diseases with an Interactive Dash Board". The current view is "Sprint 2", which is a Kanban board. The board has five columns: "TO DO", "IN PROGRESS 2 ISSUES", "DONE", "DEPLOYED", and "DEPLOY".

IN PROGRESS 2 ISSUES:

- Issue 1: "As a user, I can update my profile and medical records for analysis". It has a "DASHBOARD" label and is associated with "PREDICTION-90".
- Issue 2: "As a user, I can view the accuracy of occurrence of heart disease through the report generation". It has a "DASHBOARD" label and is associated with "PREDICTION-91".

The left sidebar shows the project navigation menu with sections: "PLANNING" (Roadmap, Backlog, Board) and "DEVELOPMENT" (Code, Project pages, Add shortcut, Project settings). The "Board" option is selected.

The top navigation bar includes "Jira Software", "Your work", "Projects", "Filters", "Dashboards", "People", "Apps", and a "Create" button. A search bar is also present.

The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 9:29 PM on 11/9/2022.

step 5

The screenshot shows a Jira Agile board for a project named 'Visualizing and Predicting Heart Diseases with an Interactive Dash Board'. The board is in 'Sprint 2' and has 0 days remaining. The board is divided into columns: TO DO, IN PROGRESS, DONE 2 ISSUES, DEPLOYED, and DEPLOY. Two issues are in the 'DONE' column:

- Issue 1: As a user, I can update my profile and medical records for analysis. DASHBOARD. PREDICTION-90. ✓
- Issue 2: As a user, I can view the accuracy of occurrence of heart disease through the report generation. DASHBOARD. PREDICTION-91. ✓

The left sidebar shows the project navigation menu with options: Roadmap, Backlog, Board (selected), Code, Project pages, Add shortcut, and Project settings. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 9:29 PM on 11/9/2022.

step 6

The screenshot displays the Jira Software interface for a project named 'Visualizing and Predicting Heart Disease'. The 'Sprint 2' board is active, showing a 'TO DO' column. A modal dialog titled 'Complete Sprint 2' is centered on the screen, featuring a trophy icon. The dialog provides a summary of the sprint's status and offers options for handling open issues.

Complete Sprint 2

This sprint contains:

- 0 completed issues
- 2 open issues

Move open issues to:

Complete sprint Cancel

The background interface includes a sidebar with navigation options like 'Roadmap', 'Backlog', and 'Board'. The top navigation bar shows 'Jira Software' and various filters. The bottom of the screen shows a Windows taskbar with several application icons and a system clock indicating 9:29 PM on 11/9/2022.
