

Visualizing and Predicting Heart Diseases with an Interactive Dash Board

Sprint 1 - Registration and Login

step 1

The screenshot displays the Jira Software interface for a project named "Visualizing and Predicting Heart Diseases with an Interactive Dash Board". The main view is the "Backlog", which shows a list of issues under the "PREDICT Sprint 3" section. The issues are:

- PREDICTION-6: As a user, I can register for the application by ent... (REGISTRATION, TO DO)
- PREDICTION-7: As a user, I will receive confirmation email once I ... (REGISTRATION, TO DO)
- PREDICTION-8: As a user, I can register for the application throu... (REGISTRATION, TO DO)

Below the sprint section, there is a "Backlog (0 issues)" section which is currently empty, with a message "Your backlog is empty." and a "+ Create issue" button.

The left sidebar shows the project navigation menu, including "PLANNING" (Roadmap, Backlog, Board) and "DEVELOPMENT" (Project pages, Add shortcut, Project settings). The bottom of the screen shows the Windows taskbar with the search bar and system clock.

step 2

The screenshot displays the Jira Software interface for a project named 'Visualizing and Predicting Heart Diseases with an Interactive Dash Board'. The user is viewing 'Sprint 1' in Kanban board view. The interface includes a top navigation bar with tabs for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar. The left sidebar shows the project name and navigation options under 'PLANNING' (Roadmap, Backlog, Board) and 'DEVELOPMENT' (Project pages, Add shortcut, Project settings). The main area shows the Kanban board with columns: 'TO DO', 'IN PROGRESS 5 ISSUES', and 'DONE'. Two epic items are visible: 'PREDICTION-7' and 'PREDICTION-8', both labeled 'REGISTRATION' and 'TO DO'. 'PREDICTION-7' has a sub-task 'CONFORMATION EMAIL' (PREDICTION-11). 'PREDICTION-8' has sub-tasks 'MOBILE NUMBER' (PREDICTION-12) and 'GOOGLE ACCOUNT' (PREDICTION-13). The bottom of the screen shows a Windows taskbar with a search bar, application icons, and system clock/date.

step 4

The screenshot displays the Jira Software interface for a project named "Visualizing and Predicting Heart Diseases with an Interactive Dash Board". The interface is viewed through a web browser with multiple tabs open, including "PREDICTION", "Sprint pdf", "Confluence", "IBM", "IBM-Project", and "Project Impro". The browser address bar shows the URL "aec5104.atlassian.net/jira/software/projects/PREDICTION/boards/1".

The Jira Software header includes navigation links for "Your work", "Projects", "Filters", "Dashboards", "People", and "Apps", along with a "Create" button and a search bar. The left sidebar shows the project name "Visualizing and Predict..." and a "Software project" icon. Below this, the "PLANNING" section includes "Roadmap", "Backlog", and "Board" (which is selected). The "DEVELOPMENT" section includes "Project pages", "Add shortcut", and "Project settings". A note at the bottom of the sidebar states "You're in a team-managed project" with a "Learn more" link.

The main content area shows the "Sprint 1" board. At the top right, there are icons for a lightning bolt, a star, a clock, and a "0 days remaining" status, along with a "Complete sprint" button. Below this, there is a search bar, a filter dropdown set to "Epic", and a "GROUP BY" dropdown set to "Subtask".

The board is divided into three columns: "TO DO", "IN PROGRESS", and "DONE 5 ISSUES". The "TO DO" column is currently empty. The "IN PROGRESS" column contains three items:

- PREDICTION-6 As a user, I can register for the application by entering my email, ... 2 issues REGISTRATION IN PROGRESS
- PREDICTION-7 As a user, I will receive confirmation email once I have registered f... 1 issue REGISTRATION IN PROGRESS
- PREDICTION-8 As a user, I can register for the application through Email, Google... 2 issues REGISTRATION IN PROGRESS

The "DONE 5 ISSUES" column is currently empty. At the bottom of the board, there is a link to "Everything else no issues".

The Windows taskbar at the bottom shows the search bar with the text "Type here to search", the system clock displaying "19:13" and "08-11-2022", and the language set to "ENG".

step 5

The screenshot shows a Jira Software interface for a project named "Visualizing and Predicting Heart Diseases with an Interactive Dash Board". The user is viewing "Sprint 1". The sprint is in the "DONE" state, with 5 issues completed. The board is organized into columns: "TO DO", "IN PROGRESS", and "DONE 5 ISSUES". Three issues are visible in the "DONE" column, all labeled "REGISTRATION" and "DONE". The issues are:

- PREDICTION-6 As a user, I can register for the application by entering my email, passw... 2 issues
- PREDICTION-7 As a user, I will receive confirmation email once I have registered for the ... 1 issue
- PREDICTION-8 As a user, I can register for the application through Email, Google accou... 2 issues

The third issue, PREDICTION-8, is highlighted with a blue border. The interface includes a sidebar with navigation options like "Roadmap", "Backlog", and "Board". The top navigation bar shows the Jira Software logo and various menu items. The bottom of the screen shows the Windows taskbar with the search bar and system clock.

step 6

The screenshot displays the Jira Software interface for a project named "Visualizing and Predicting Heart Diseases with an Interactive Dash Board". The user is viewing a "Sprint1" board. The interface includes a top navigation bar with tabs for "Your work", "Projects", "Filters", "Dashboards", "People", and "Apps", along with a "Create" button and a search bar. The left sidebar shows the project's structure, including "PLANNING" (Roadmap, Backlog, Board) and "DEVELOPMENT" (Project pages, Add shortcut, Project settings). The main area shows the "Sprint1" board with columns for "TO DO", "IN PROGRESS 2 ISSUES", and "DONE". A search bar and filters (AB, Epic) are at the top of the board. The "TO DO" column contains a card for "PREDICTION-21" with a description "As a user, I can view the accuracy of occurrence of heart disease throug...". The "IN PROGRESS" column contains two cards: "PREDICTION-25" (EMAIL) and "PREDICTION-26" (PASSWORD). The "DONE" column is empty. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

step 8

The screenshot displays the Jira Software interface for a project named 'Visualizing and Predict...'. A modal dialog box titled 'Complete Sprint1' is centered on the screen, featuring a trophy icon and the text: 'This sprint contains 1 completed issue. That's all of them - well done!'. The dialog has 'Complete sprint' and 'Cancel' buttons. In the background, the Jira board for 'Sprint1' is visible, showing a 'TO DO' column with one item: 'PREDICTION-21 As a user...'. The right sidebar shows a 'Complete sprint' button and a '0 days remaining' timer. The bottom of the screen shows a Windows taskbar with the search bar and system tray.

step 8

Jira Software interface showing a 'Complete Sprint1' dialog box. The dialog box contains the text: 'Complete Sprint1', 'This sprint contains 1 completed issue.', and 'That's all of them - well done!'. The background shows the Jira board for 'Sprint1' with a 'TO DO' column containing one item: 'PREDICTION-21 As a user...'. The right sidebar shows a 'Complete sprint' button and a '0 days remaining' timer.
